## MEDICAL FOOD

For the dietary management of intractable epilepsy and other conditions where a ketogenic diet is indicated.

KetoVie 3:1- Unflavored is a 3:1 ketogenic ratio, (fat: carbohydrate+protein\*), ready-to-feed nutritionally complete ketogenic medical food with 100% whey-based protein and contains 20% of calories as MCT. KetoVie 3:1 is designed for individuals over one year of age and indicated for the dietary management of intractable epilepsy and other disorders where a ketogenic diet is indicated. KetoVie 3:1 also contains supplemental DHA and ARA to help support brain and eye development plus fructooligosaccherides (FOS) and galactooligosaccherides (GOS), prebiotic fibers which help support digestive health and immunity. The formula has a mild milk taste without any flavors or sweeteners. Can be used for both oral and tube feeding.

\*Calculation subtracts fiber.

## DIRECTIONS FOR USE

Use as directed by physician.  
 Must be administered under medical supervision only.  
 Ready to drink or administer by feeding tube.  
 Store in a cool, dry place. After opening, refrigerate up to 24 hours. Do not freeze.

## INGREDIENTS

Water, high oleic canola oil, whey protein concentrate, medium chain triglycerides, less than 2% of galactooligosaccherides (GOS), fructooligosaccherides (FOS), canola oil, vitamin A palmitate, cholecalciferol, dl-alpha-tocopheryl acetate, niacinamide, d-calcium pantothenate, phytonadione, folic acid, biotin, riboflavin, sodium ascorbate, thiamin mononitrate, pyridoxine hydrochloride, choline bitartrate, cyanocobalamin, potassium chloride, magnesium phosphate, calcium phosphate, potassium hydroxide, potassium phosphate, ferric pyrophosphate, zinc gluconate, potassium iodide, sodium selenite, copper gluconate, sodium molybdate, manganese sulfate, chromium chloride, calcium citrate, citric acid ester of mono and di-glycerides, potassium citrate, DHA algal oil, ARA fungal oil (M. alpina), mono and diglycerides, carrageenan, salt, L-carnitine, taurine, inositol. Contains milk.
