## MEDICAL FOOD

For the dietary management of intractable epilepsy and other conditions where a ketogenic diet is indicated.

KetoVie 4:1 Unflavored is a 4:1 ketogenic ratio, (fat: carbohydrate+protein\*), ready-to-feed nutritionally complete ketogenic medical food with 100% hydrolyzed whey protein and 25% of calories as MCT. KetoVie 4:1 is designed for individuals over one year of age and indicated for the dietary management of intractable epilepsy and other disorders where a ketogenic diet is indicated. KetoVie 4:1 also contains supplemental DHA and ARA to help support brain and eye development. The formula has a mild milk taste without any flavors or sweeteners. Can be used for both oral and tube feeding. \*Calculation subtracts fiber.

## DIRECTIONS FOR USE

Use as directed by physician.  
 Must be administered under medical supervision only.  
 For enteral use- oral and tube. Shake well.  
 Store in a cool, dry place. After opening, refrigerate up to 24 hours. Do not freeze.

## INGREDIENTS
